Message from Mrs Lewis Well done to all Prize Winners at our Celebrating Success evening last week! We were delighted to welcome Wales rugby union player, Rob Evans, who gave an inspirational talk and presented the prizes. This year we presented prizes to the top achievers in Key Stage 3 as well as those who performed well in the public GCSE and A level exams.

The main prizes were awarded to; Tomas Harvey/Luzelle Davies - The Rotary Club of Haverfordwest Head Prefect Prize, Yasemin Ozdemir - Phoebe Thomas Award for high academic achievement, Albert Ugwudike - Mary Tasker Award for high academic achievement, Ayse Ozdemir - Sir John Perrot Prize for the pupil who has contributed well to the school, Owen Mountstevens - Haverfordwest Grammar School Old Boys' Prize, Jade Hughes - Haverfordwest Town Council Cup and Jamie Meek - Haverfordwest Town Council Prize for service to the community and Chelsea Owen - William Vawer Prize for most improved pupil.

Oberkirchen visit Last Friday we were visited by 22 pupils and 2 teachers from our twin town of Oberkirch in Germany. The group have been on a week long visit to Haverfordwest, learning about Wales and the Welsh culture. They joined us in a special assembly where they showed us a short film about Oberkirch. They then toured the school and visited classrooms, answering questions about their school in Germany.

We are pleased to announce the arrival of a brand new tracking system in school. Class Charts offers the opportunity to allow parents and pupils access to their behaviour data and homework schedule. All parents and pupils will now be able to view their individual rewards and sanctions as well

as detention data on an easy to use 'App' from class charts. You will also be able to view any homework set and see whether it has been submitted. We are very excited to begin using Class Charts and hope you find it useful. Log in details will be sent out to parents in the next two weeks. If you have any further queries please contact Mrs Martin. Check out the video for more details.
