## Reader of the Week

Jireh Dogara 7T

'I read David Walliams' Demon Dentist. I enjoyed reading this book with my friend Jack. It was amazing and I would recommend it to other children my age. My favourite part was when the dentist took out all his teeth. I scored 100% on the book quiz'.

**Geology Field work in West Angle Bay** Year 12 students had a very successful field mapping exercise at West Angle Bay last week. The sun was shining which made field relationships easier to observe and they were able to work out the folds and faults affecting the 380 million year old. The area would have been like the Bahamas with warm shallow seas with crinoids and corals back when the rocks were formed.

**The Poetry Show** To mark National Poetry Month, Tasker Milward organised a visit from performance poet Jim McCool on Friday the 14th October. Accompanied by a variety of instruments, props and even a puppet, Jim encouraged pupils in Years 6 and 7 to really raise the roof as they clapped and sang along to his funny rhythmic renditions. It was lovely to see approximately 60 local primary pupils thoroughly enjoying the occasion and we hope they felt inspired and enthused by the session. Our own Year 7 pupils were very positive about Jim and his energetic, humorous delivery and have already been writing poems of their own. Perhaps we'll feature one of the best in our next news letter!
