Issue No. 8 1 of 2
3rd November 2016

Beth sy'n digwydd yr wythnos hon? Beth fydd yn digwydd nesaf?

Message from Mrs Lewis National Award Nomination for Taskers Readers! Tasker Milward was proud to be nominated for an award recently, in celebration of its achievements in encouraging younger students to read. I attended the prestigious Renaissance Awards on board a replica paddle steamer on the Thames in October. The event was organised by the company behind the reading scheme Accelerated Reader, which sees Year 7 and 8 pupils spend part of their lessons in private reading each day.

Since September, pupils in Year 7 and 8 have read ten million words and regularly complete the quizzes based on their chosen books. We were delighted to be nominated for an award for the most effective and successful implementation of Accelerated Reader in Wales. This is proof that learners and staff at Tasker Milward really appreciate just how important reading is.

'Pupils of the Week'

Tasker Milward VC School Year 5/6 Open Evening

6.00pm—8.00pm

Prospective pupils and parents are warmly invited to attend our Year 5/6 Open Evening on Wednesday 9th November 2016.

The evening will begin with a short presentation in Milward Hall. You and your child will then be able to look around the school and take part in fun, engaging activities within various departments.

Teachers and support staff will be happy to answer any questions you may have. We hope you will be able to attend and look forward to seeing you there.

M.A.T. TRIP As part of the schools More Able and Talented initiative, Year 9 pupils were given the chance to find out what it takes to become a doctor. Pupils learned how to suture wounds, ventilate patients and a whole

lot more. Not for those with a weak stomach!! An informative and eye opening time was had by all.

 3rd November 2016

Congratulations to this year's winners of Geography Department's "Planet Earth for Sale" challenge. Millie Tamilia and Harriett Haynes Hunt of Year 7 produced creative and high quality entries to beat some impressive competition. Well done girls. Ymdrech Dda!

Daearyddiaeth As part of their G.C.S.E Geography course, pupils investigated coastal processes within Saundersfoot Bay with support from the National Park Authority. Impeccable behaviour and an impressive knowledge of coastal systems was demonstrated by the whole group. Now it's time to write it up!

YEAR 6 PE DAY We were delighted to welcome around 180 Y6 pupils from our feeder primary schools to our annual PE Transition Day before half term. The pupils had an exciting morning with a range of different sporting activities provided for them. The PE staff were ably

supported by our A Level and GCSE PE students who had the opportunity to use their coaching expertise to ensure all of our feeder pupils had a good time. A big 'DIOLCH' to Mr Harpwood and all the staff and pupils involved in the successful morning. We look forward to welcoming Year 6 pupils back later this month for a taste of Technology. Da Iawn

Stand-Up to Cancer Day On the Friday before half term both members of the Sixth Form and teachers alike participated in a 'Sixth Form v Teachers' charity football match, which pupils could spectate. All proceeds went to the 'Stand up For Cancer' charity. The game was well contested, however the teachers snatched a 1-0 win with the winning goal coming from the boot of our very popular LSA Mr Hart! Thank you very much to everyone for their generosity!
