Beth sy'n digwydd yr wythnos hon? Beth fydd yn digwydd nesaf?

Message from Mrs Lewis It was a delight to welcome so many parents and carers of the Year 6 to our Open Evening on Wednesday this week. The school was buzzing with many activities in the classrooms. Year 6 pupils were able to find out about the different subjects that they will study in secondary school, meet the teachers and look around our school. Thank you to all involved!

Year 8 MAT students attended a workshop on marine engineering as part of a combined STEM project. The speaker gave a wonderful insight into the world of marine engineering and engaged the pupils in the wide range of career opportunities. The pupils went on to design, build and test a cargo boat. The winning team were Olivia and Millie Tamilia. With three pieces of garden wire and two A4 sized sheets of card covered in a sheet of aluminium foil for waterproofing they were able to carry over 200 marbles in the test tank! Ymdrech dda!

Reader of the Week

Ryan Dalton 7A I read 'Tom Gates, Excellent Excuses' by L. Pichon. I scored 100% in the book quiz. I enjoyed this book because it was about Tom making fun of his sister, he even wrote a funny song about her. It wasn't at all boring it was actually quite good'.

THIS WEEK IS NATIONAL SAFEGUARDING WEEK!
