Message from Mrs Lewis

As you will be aware the school was visited by Estyn just before half term and we have now received their written report. We know the school will remain in the same category until we have another set of GCSE results but we were delighted with the many positive comments made by Estyn. They continue to judge the progress made by the school to improve behaviour as "strong" and commented that "nearly all pupils (that means with very few exceptions) behave well in lessons and around the school". Estyn have also increased their judgement on the quality of teaching and assessment to "strong" and said that "this can be seen in the standards and progress made by pupils in lessons and in their books".

The senior staff are putting an action plan together to address the few areas for improvement and we will have another visit by Estyn in the Summer term.

Thank you to all who have been a part of our improvement journey, this has been a real team effort from everyone associated with Tasker Milward. Diolch!

Pupils of the Week

Reader of the Week

Ben Parry-Price 7T

'I read 'Harry Potter and the Goblet of Fire' by J.K Rowling. I liked this book because it's full of interesting daring tasks, wizards and witches have to perform. This book is a massive page turner. I scored 20/20 on the book quiz and I have smashed by reading target for this term'.

Rosslyn Park U18 cup Thursday 23rd March

We travelled to this year's tournament with eleven pupils from years 11-13 to play in the UK's oldest, biggest and most prestigious rugby tournament. The boys were drawn in group A with last year's winners, and recently voted the best Rugby school in England, Cranleigh. The

group also included the Utah cannibals an American invitational team made up of the USA's best youth players including u19 internationals, Llandrillo college the WRU u18s academy in North Wales and Brooksby Melton, the

Leicester Tigers affiliated college. The boys were on the main pitch in front of a good crowd with two of their games streamed live with commentary. Playing against boys from the most well resourced rugby schools in the country proved to be a huge challenge as expected but the boys showed they had skills of their own scoring some nice tries, The most

memorable was Dan Rawlings' solo efforts bringing the biggest cheer of the day from the main stand. The boys won the support of most neutrals as the underdogs in their group. Tom Carrington became a favourite with the crowd after putting a few south sea islanders on the deck with the commentator calling it a 'treat' and insisting that his run make the official highlights montage. Huge credit goes to the boys for training almost every lunchtime for the past few months and to Mr Spearing for driving us all the way to London and back. The boys showed more heart and courage than you would see from any side and made us immensely proud to be affiliated with them. They've had an experience of a lifetime and have no doubt had the opportunity to test themselves against many future professionals and internationals.

Diolch am trip cofiadwy fechgyn!

Criced i Ferched

Tasker Milward girls U13s cricket team represented Pembrokeshire at the national finals of the Lady Taverners competition at the SSE Swalec indoor centre in Cardiff on Friday. After a brilliant day, having fun and playing really well they got through to the semi finals and ended up third overall. The girls have represented the county exceptionally well, and are a credit to the school. Da iawn girls!

Japan

The annual exchange trip to the Hiroshima Province in Japan is planned for October/November 2017. This is a fabulous experience and for anyone in years 10-12 who is interested, deposits must be paid by Easter Holidays. See Mrs Jones (Cymraeg) for more details.
