Beth sy'n digwydd yr wythnos hon? Beth fydd yn digwydd nesaf?

Message from Mrs Lewis Congratulations to pupils from Years 7 and 8 who have now read over 55 million words as part of the Accelerated Reader scheme! For the last two years running we have been nominated as the Top Performing Secondary School in the country for Accelerated Reader - let's see if we can make this the third year! Thank you to all parents and carers for your support in encouraging your children to read outside school. We know what a difference reading makes to our pupils' attainment and we are grateful for all your support and encouragement, Diolch yn Fawr!

Multi-faith cohesion Well done to James Sinclair, Solomon Khan and Benjamin Streeter of 8A who did very well in their recent R.E. assessment. The pupils had to design a multi-faith building which allowed believers of 3 different religions to worship under one roof, and which would also promote and facilitate community cohesion. Da iawn wir!

Tasker Film Stars! Year 7 pupils were delighted to be asked to star in a new bus safety video which was being made for Pembrokeshire County Council last Monday. Pupils braved the elements to shoot the video, which will be used across schools in the county to ensure safer journeys for all. School Transport Training Officer, Jennifer Barfoot, gave her sincere thanks to the pupils who helped with the video. She added "The pupils were absolute stars...The day was quite long but they behaved impeccably at all times"

We look forward to viewing the final result as soon as it is available!

Reader of the Week

'I read 'George's Marvellous Medicine' by Roald Dahl. I scored 100% in the book quiz. George was my favourite character because he tries to make his Grandma explode by changing her medicine. There are lots of funny bits in the story'.
